## Monday Night Rundown (MNR): Monday, December 2, 2024 – 2 Pages

Dear Stewarts Creek Band Families,

We appreciate your understanding as we navigate a challenging situation. Due to the recent collapse of our IT network infrastructure, all teacher computers have been collected, and we are without regular internet or email access for the foreseeable future. Additionally, our cell phones were dependent on the school's Wi-Fi, and phone reception is inconsistent. To maintain communication, we ask that parents and students use our text messaging system for any urgent matters, and we will respond as promptly as we can. Please note that email replies may be delayed, as they will be addressed from us at home after school hours. We apologize for the inconvenience and are committed to ensuring that band operations continue as smoothly as possible.

### Important Reminders and Upcoming Events:
